Handsome Magnifying Glass In Sterling Silver and Tortoiseshell - 1906

Price

Sold**Item Reference: SA107426****Date of manufacture: 1900**

Description

The handsome handle to this desk-top magnifying glass is so very tactile with it's raised acanthus leaf border to the front. Made from sterling silver the front is inset with a glossy panel of antique tortoise shell with intricate silver pique inlay. The silver ferrule is where the hallmark can be found for Sheffield 1906, Edwardian in era. The nickel rimmed magnifier is of course new, so perfectly usable with an undamaged lens and good magnification. Excellent condition, measuring 7" in length with a lens diameter of 3".
