Description

An early 20th century oak revolving library bookcase with fold out reading slope and original reference numbers to the shelves. Revolves around a central post raised on a quad form base with castors. Very good condition, structurally all sound with just some light age related surface wear. As the piece revolves in some positions it has a small tilt which is a common feature of this design, but this does not affect the functionality of the piece whatsoever. English, early 20th century. H: 91 W: 68 (72 inc. stand) D: 56 cm Height of shelves: 32.5cm
