Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 18ct white gold case surrounded by diamonds and then large marquise cut diamonds to the shoulders, the double strand bracelet is a beautiful design and just glides around the wrist. It has Swiss hallmarks to the inside of the case and a small hallmark stamp to the side of the case confirming it to be solid 18ct gold. The total diamond weight is approximately 2.5cts they are bright clean and evenly matched just as you would expect from a premier company like Omega. The watch has a backwinding Omega calibre 440 movement so there is no winder sticking out to spoil the look or get tangled in fibres, its also much easier to wind just by running your thumb over it. It sits in the hollow of your wrist and is totally unnoticeable. The silver dial is original and quite superb. It fits a wrist size of up to 6 1/4 inches or 16 cms but this can easily be reduced or increased by any competent jeweller. The case measures 16mm in diameter. The case and bracelet have been professionally cleaned and polished so it is absolutely pristine. It also com...
