Description

A stunning antique 5.63 carat Ceylon sapphire and 1.16 carat diamond, platinum Art Deco cocktail ring; part of our Sri Lankan sapphire rings collection. This stunning, fine and impressive Ceylon sapphire ring has been crafted in platinum. The substantial pierced decorated design displays a feature 5.63ct cushion cut blue Ceylon sapphire, four claw set in relief to the centre. The Sri Lankan sapphire is flanked on either side by three Art Deco style linear arrays embellished with a total of twenty-two pavé set diamonds, in a combination of collet set square cuts and pavé set eight cuts. The swept ring shoulders integrate with the main setting and blend seamlessly with the plain hallmarked ring shank. The ring is hallmarked to the interior shank with the platinum fineness mark (Pt900). This impressive blue sapphire cocktail ring with diamonds is supplied with a sapphire report card and certificate supplied by the Gemmological Certification Services, London*, in addition to an IDGL diamond grading report card. NOTE: * This documentation accredits the blue sapphire originating in Sri Lanka (Ceylon) and certifies that the gemstone shows no indications of heat treatment....
