Description

Louis XV style walnut chest of drawers with a marble top. – Pale pink and yellows in an almost peach colouration are seen in the natural marble top. With slight texture on the surface due to it's organic properties. -The item features five full width drawers in total, one of which is discreet situated at the foot of the item. -Each drawer has splendid metal handles and escutcheons depicting floral themes. -The main body also displaying light carved details which blend well with the overall French Louis XV style. -The feet and base are as much a talking point as the rest of the item with scrolled toes and carved knees. A well-proportioned chest of drawers with features that help draw the gaze and will match nicely with many interior décor choices. In a very good condition with some minor signs of age related wear overall which does not distract from the style and functionality of the item. Date: circa 1900 Material: Walnut & Marble Origin: French
