Description

Size: 4ft 11in x 2ft 6in (150 x 76cm). Antique Salar Khani Baluch rug with turreted gul design. Circa 1900. A very good small Baluch rug, with a design of two rows of six large turreted guls similar in design to those found in Saryk Turkmen weaving. The minor guls are also similar to guls also found in Turkmen weaving, and are of note as they are woven in camel wool. The narrow main border is of interest being a linked star design, note how the lower end border is of the Baluch meandering vine design.. The rug is in good condition with even wear and medium pile, the blacks are corroded. There are some historic losses and wear to the ends and side bindings, this is reflected in the price. The rug is suitable for light domestic use. Stock Number: D-0583.
