Description

A Painted Satinwood Table In the Neoclassical Manner. Currently in unrestored original condition, please contact us for further information. A lovely example of slender proportions, the round table is supported on square-section legs connected by a stretcher, the frieze enclosing lined drawers, painted with ribbon-tied floral swags; the top decorated in conforming style with a floral garland reserve and a painted cartouche of an elegant lady at the centre. English, circa 1910

Internal Ref: 9222
