Description

Early C19th George IV period rosewood sewing or work table , in the manner of Gillows of Lancaster. Fine quality rosewood table with quarter veneered , cross-banded rectangular hinged top with an inlaid central compass or star motif . The edge of the table with a moulded edge. The lid rising to reveal divisions and compartments with a central star-inlaid lid over a pin cushion. Fitted with original brass lock and steel key . Of free-standing form , the friezes of the top with cross-banded panels simulating drawer fronts and having inlaid diamond-shaped escutcheons, with corresponding design to verso , and having cross-banded sides. Raised on a tapering triangular stem with moulded edges , onto a triform concave-sided platform base. The whole raised on carved lion's paw feet of exaggerated design. The terminals with carved acanthus leaf motifs , the sides of the feet with classically-inspired carved scroll brackets . In excellent original condition, with a rich colour and patina. The top having a minor shrinkage crack to the centre , and having minor marks commensurate with age and use . The quality of construction, design of mouldings and overall form , leading towa...
