Description

Unusual Antique Victorian quality mahogany brass inlaid desk clock by Dent London having a quality mahogany brass inlaid case with five bevelled edge glass panels, round enamel dial with the Dent of London makers mark, original hands, 8 day movement striking on the hour and half hour on a gong. In perfect working order. Dent was a famous London manufacturer of luxury clocks and watches, founded by Edward John Dent in 1814. A notable success for the company was winning the contract to make the clock for the new palace of Westminster, which became known as Big Ben. They are responsible for many famous historical clocks including chronometers which accompanied some of the 19th century's most influential explorers. They were award winners and holders of many Royal Warrants. Dimensions: Height 22 cm Width 14 cm Depth 11.5 cm Dated 1850
