Description

Good 18th century oak lambing chair probably Yorkshire or Lancashire in origin. Nice fielded panel design with plain side wings and ropework seat. Comes with a very nicely made cushion. The lambing chair has a dovetailed drawer to one side with its original brass swan neck handle. There is also a matching handle on the other side. The chair is the most gorgeous colour with waxed finish. One or two minor blemishes as you would expect but basically a very nice item. SIZE; 22" wide by 22" deep by 54" high CIRCA; 1770 - 1790
