Description

Early 20th Century Diminutive English Brass Gallery and Glass Light Shade. An elegant example of an early 20th century diminutive English brass gallery and opaline glass light shade. This light even though small shows exceptional quality with brass gallery detail and a warm glow from the ribbed milk glass shade. In this case small is most certainly beautiful. Dimensions in inches: H 9" x W 6" x D 6" Age: Early 20th Century Origin: England Condition: Good. A naturally aged item that has stood the test of time over many years. Worn brass surface of the gallery but close to perfect glass shade. Rewired to a 240v UK electric output and with extended half metre thread cord as shown. Due to its size this light does not require a hanging chain to be fitted. We strongly suggest reviewing all the photos provided as part of this advert and propose questions where sections are unclear to avoid disappointment upon purchase. A direct message usually takes 24 hours to answer. For multiple years we have sold antique items globally, please expect our items to show relevant age and natural wear, Items only restored due to breaks and major loss, and we always stipulate this in our co...
