Description

1950s Roirol full hunter pocket watch by Record. The watch has a high grade Swiss movement, 15-jewel (3 adjustments), which is working nicely. The movement is protected by an inner hinged cover which has a little scratching. The watch itself measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company, a prolific manufacturer of watches cases who supplied many different companies. The case is in nice condition. The front cover is opened by pressing the crown down. Inside there is an acrylic lens which is in good condition. The dial is signed Roirol, a brand name registered by Record Watch Co SA in 1952. It is in good condition with blued steel hands. The watch comes in a new presentation box.
