Description

A good quality hall stand dating from the early 20th century. It is an attractive Demi-lune shape with three large hooks at the top. It has three splayed legs and a brass support for sticks and umbrellas. It is well made and a good quality piece with a nicely turned finial on the top and scrolling feet. It is in good condition for its age and the mahogany has mellowed to a lovely warm patina over the years. There are signs of age and use, some small knocks and marks but nothing detrimental. There has been a repair to one leg but the whole piece is strong and sturdy and it displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
