Description

A fine example of a beautiful Victorian jewellery or sewing box. The top of the box is a lovely burr wood with ornate mother of pearl and inlaid decoration. The interior has its original silk buttoned lining in the top and bottom and a fitted lift-out tray with various compartments and sections. It also comes with a working key. It is in good condition for its age and has clearly been well looked after. There are some minor signs of age and use, some light surface marks and a few old repairs but nothing detrimental and overall the piece displays beautifully. It has been cleaned and gently polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £15.
