

SA1076108

American silver gilt and enamel
teaspoons

Price

Sold

Item Reference: SA1076108

Date of manufacture: 1900

Description

A set of 5 American silver gilt and enamel teaspoons/demitasse spoons. Each spoon is decorated with forget me knots. Minimal wear to the enamel. Very pretty spoons. Marked to the reverse for Gorham, there is a date mark, but would guess these are about 1900. L 9.5 cm
