Description

Early 20th Century Gents of Leicester English Double Sided Station Clock A larger than life square example of an original early 20th century Gents of Leicester English double sided station clock. Illuminated on a 240v power source cable and working using a refurbished quartz mechanism for time keeping. Stood on bespoke cast metal legs for ease of display purposes. A real statement piece of functional interior décor. Dimensions in inches: H 32" x W 27" x D 15" Age: 1920 Origin: English Condition: Good A naturally aged item that has stood the test of time over many years. Worn metal surface with faded/scratched and tarnished black painted outer area as shown. Rusty sections to the stand but very solid and firmly in place. This item weighs close to 40KG and this is reflected in the shipping costs. The clocks work to a battery operated quartz mechanism. Original glass facia and outer sections. We strongly suggest reviewing all the photos provided as part of this advert and propose questions where sections are unclear to avoid disappointment upon purchase. A direct message usually takes 24 hours to answer. For multiple years we have sold antique items globally, pleas...
