Description

A smart and very useful antique Edwardian mahogany nest of tables. They were made in England, they date from around the 1900-1910 period. The quality is great, they are beautifully made with gorgeous mahogany colour tones and grain patterns. The tables nest under one another nicely, and have a practical as well as good looking design. We have had them recently re-polished, the condition is excellent for their age, with a wonderful overall patina. Width – 24 inches , 60 cm Depth – 16 inches , 40 cm Height – 26 inches , 66 cm
