Description

An elegant art nouveau still life, featuring flowers in a vase with a backdrop of wallpaper with leaves. The latter adds a gentle "japanising" feel, characteristic of the period. French in origin, our painting board is unsigned. The turn of the century was the heyday of the Lyons flower painters, so the work may originate from that city. An oil on canvas restored and later mounted on to board measures 40 x 32 cm at sight and is presented in a more recent frame. The overall framed size is 50 x 42 cm.
