Description

'Interesting to the Man of Pleasure and Enterprise' these 18 VOLUMES of The SPORTING MAGAZINE or MONTHLY CALENDAR OF THE TRANSACTIONS OF THE TURF, THE CHACE AND EVERY OTHER DIVERSION date from October 1792 - December 1801. Printed for the Proprietor and Sold by J. Wheble, No18 Warwick Square, Warwick Lane, near St. Paul's. The Books have marbled boards, leather spines and leather corner tips. As can be seen from the photographs some of the leather titles are not apparent. We have six of them, which need refixing. Three are lost. There is the obvious wear to the Books like some staining, folding, creasing and foxing but, overall, it is a good set. One board is unattached and there are a very few pages loose in one volume. The broad spectrum of the topics covered is capable of providing interest to anyone. There are notes on Theatre productions, Court Cases, Legislation, Country mishaps and, as the title would suggest, Sporting adventures. The Books measure 8.25 inches (21 cm) by 5.25 inches (13.5 cm). Many of the illustrations purvey the charm of the Georgian Engraver.
