Description

Fabulous rare Victorian watch chain with compass and thermometer. UK POSTAGE ONLY FOR THIS ITEM. The chain measures 34cm long including the T-bar and the clasp. The chain is gold filled and it is in beautiful condition. The clasp is stamped B&D. The chain comes with a rare fob which contains a compass to one side, and a mercury thermometer to the other. The fob measures 21mm diameter plus the fitting. Due to the mercury content, we can only post this item within the UK. There are various legal restrictions regarding items containing mercury but as this item was older than 50 years as at October 2007, it is legal to offer it for sale.
