Description

West Country High Backed Winged Settle circa 1860 * English West Country circa 1860 * Pine * Bow shaped design with panelled construction * Thick curved seat above an enclosed base * 2 deep drawers with original white ceramic knobs * Shaped winged side with up scrolled arm terminals and internal armrests * Slight curvature - able to fit in a corner or against a wall * Very good solid condition * Attractive patina acquired over time * H: 178cm (70.1") W: 179cm (70.5") D: 50cm (19.7") This lovely, large Mid19th century English West Country Pine Settle, circa 1860, is an exquisite piece of English history, showcasing the craftsmanship and style of the Victorian era. Every element contributes to its distinctive character, and one can only imagine the tales it would tell if it had the power of speech. The settle boasts a bow-shaped design with panelled construction, featuring a planked, curving high backrest that reaches down to the floor and has a canopy rail/narrow shelf across the top. The thick, curved seat sits above an enclosed base housing two deep drawers adorned with original white ceramic knobs, all framed by traditional, elegantly winged sides. These sides ar...
