Price

Sold**Item Reference: SA1077173****Date of manufacture: 1900**

Dimensions

Width = 25.5 cm (10.0")

Depth = 4.5 cm (1.8")

Description

A fine novelty brass and horn letter opener in the form of a lizard, 1900. The lizard boasts very finely cast details and red glass eyes. The tail of the lizard is formed from horn and is again very finely done. There is a very small hole in the casting just to the fore of the left front leg (please see photographs) but generally the whole piece remains in a very good condition with a great patina. Dimensions:- Length: 25.5cm Width: 4.5cm
