Description

French Hand Painted Modesty Screen Depicting Japanese Scene. French Early 20th Century Hand Painted Hand Stitched Details. Now hung as a piece of art. H: 171cm (67.3") W: 216cm (85"). This early 20th-century French screen, adorned with hand-painted and hand-stitched Japanese scenes, is now displayed as a work of art. Its exquisite craftsmanship adds elegance and charm to any setting. It has the potential to be restored to its original function and could enhance a living room, bedroom, or dressing area with sophistication, serving both decorative and practical purposes. Historically, this splendid folding screen was utilized as a room divider, a privacy screen, or a decorative element within a room.
