Description

A pair of miniature pine chest of drawers dating from the early to mid 20th Century. Both have two short over 4 long drawers and they stand on small bracket feet. Each drawer has turned wooden knobs. They are in good condition for their age, the drawers are generally clean and tidy and open smoothly. There are some general signs of age and use, some minor marks and knocks and some old marks on the top surfaces but no major damages. There are signs of historic worm in places which has all been treated as a precaution and overall they display very well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
