Description

A good example of an antique French pendant light. The shade is a lovely pale yellow colour with a handkerchief style frilled edge. It has its original brass gallery but has been re-wired with braided cord and fitted with a modern bulb holder to take a standard bayonet bulb. It is ready to install but we would always recommend it to be checked and fitted by a professional electrician. It is in good condition for its age with no major damages. Approximate Measurements: Shade Diameter : 10" (26cm) The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £15
