Description

Size: 8ft 10in x 4ft 3in (270 x 130cm). Antique Caucasian Shirvan rug from the Kuba region, 'Tree of life with birds' design on a dark indigo blue ground. Circa 1880. An outstanding example of a Kuba Shirvan rug with one of the more unusual designs, Known as a 'bird' Shirvan or 'tree of life' Shirvan. The rug has superb colour with precise and detailed drawing, the weaver has filled every inch of the field with animals, birds, flowers and other tribal designs. The colours are wonderful, especially the soft green and yellow. The main border is a continuous floral design on a ivory ground. A wonderful example of Caucasian weaving suitable for floor use. The rug is in excellent condition with slight even wear and medium pile. The rug is suitable for normal domestic use. The rug has been hand washed and is ready for use or display.
