Description

Pair of Gordon Russell 1930's oak Single Beds – Super King Size if together. A super quality pair of British Cotswold designed standard single bedsteads by Gordon Russell in the thirties. They each have the copper Gordon Russell makers label and they are both in excellent, clean condition. They take a standard UK single mattress, but the bed design lends itself well to being put together to make a super king size bed. They are very well made and are a simple design so would work well in both period and contemporary homes. They are complete with the original bed irons. We can have made bespoke wooden bases if required, please email if interested. Dimensions Height: 100cm (39.68") Width: 92cm (36.51") Depth: 192cm (76.19") Additional Info The foot board is 83cm high.
