Description

A lovely antique concave mahogany chest of drawers in the Georgian style. This was made in England, it dates from around the 1930's. It is beautifully designed and is of very good quality. The concave shaped front gives it a very interesting look, it sits on short fluted legs and has intricate detailed mouldings around the top edge. There is plenty of storage space and this is a nice slim and tall shape. We have had this re-polished, the condition is excellent for its age. Width – 24 inches , 61 cm Depth – 16 inches , 41 cm Height – 42 inches , 107 cm
