Description

Size: 6ft 11in x 3ft 11in (210 x 119cm). Antique Caucasian Moghan Kazak rug with a vertical row of four hooked medallions on a madder red ground. Circa 1880. A good example of a Moghan Kazak rug with the well known hooked medallion design, this example is interesting as each medallion is separated by a dotted line into its own compartment. I like the way that the weaver has made the fifth medallion appear to be disappearing under the borders at the top of the rug. The wide ivory ground border is of a classic Caucasian design. The rug is in excellent condition with slight even wear and good pile. The rug is suitable for normal domestic use. The rug has been hand washed and is ready for use or display.
