Description

Superb Oriental Camphor wood blanket / storage box in excellent condition with only minor marks/ scuffs in line with age and use. The scenes on the top and front of this box are beautifully carved as has the shell like handles are carved into the sides and the lid. The hinged lid with brass lock lifts to reveal a very clean interior with removeable candle tray. This box comes with working lock and key so can be used to store personal items. This is a wonderful item ideal for storing extra blanket, pillows etc at the end of the bed however with its incredibly detail carvings why not show it off in the main room as a very decorative coffee table.
