Depth = 52 cm (20.5")

Description

This set of 10 solid oak chairs features a unique design with arms on all chairs. Dating from the early 20th century the chairs boast elegant turned legs and intricate carving on the back and arm rests. Finished with maroon leather and brass stud work, these chairs are both stylish and functional. Very unusual for the chairs to all have arms. 2 chairs are carvers and the other 8 have lower arm rests.
