Description

A lovely mahogany cupboard dating from the mid to late 19th Century. It is a useful narrow size and has two panelled doors opening to a shelved interior. It stands on bun feet and comes with a working key. It is in good condition with a lovely colour and patina. The interior is generally clean and tidy. There are of course signs of age and use, small small knocks and marks, minor wear and old shrinkage splits but no major damages or anything untoward. It has been cleaned and gently polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
