Description

Pair of Continental bedside chests This pair of Continental bedside chests with made Circa 1920. The pair are made of Kingwood in a wonderful serpentine and bombe shape, with the elegant cabriole legs to each side that have cast brass mounts to the toes. The 2 drawers are fitted the original cast brass handles and with the attractive herringbone banding, that is replicated to the sides that also have a diamond shaped inlay. The tops have inset rouge marbles which adds to the delightful look of these, this helps if you have spillages and so no damage is done. This pair of Kingwood bedside chests can be used in other areas of your home, not just in a bedroom setting. Imagine how superb they will look in your home and the pleasure of ownership they will give you.
