Dimensions

Height = 30 cm (11.8")

Width = 25 cm (9.8")

Depth = 5 cm (2.0")

Description

A wonderful vintage emerald and diamond ring. The step-cut emerald in the centre – certified as Colombian and with no evidence of oiling – is, as far as emeralds go, just about perfect; the ideal blue / green colour, internally clean and – very rare for emeralds – free of clarity enhancement. The stone is rubover set in yellow gold and surrounded by twelve white and bright eight cut diamonds. The split shoulders are overlaid with a marquise shaped petal, which leads to a slender D-shaped shank. Crafted 18k yellow gold. Currently UK size N or US size 6.5 (complimentary sizing available). Accompanied by an emerald report from The Gem & Pearl Laboratory stating the emerald shows no evidence of clarity enhancement, and is Colombian in origin. Cut – Rectangular step cut emerald with eight-cut diamonds in the surround. Colour – The diamonds are F to G. Clarity – The emerald is loupe clean. The diamonds are VS1 to VS2. Carat – The emerald is approximately 0.46 carat, with a total approximate diamond weight of 0.24 carat. Circa – 1935. Measurements – The emerald is approximately 5.5 x 5mm. The head of the ring is 9.9 x 10.1mm and sits 5.6mm from the finger. Size – N (UK) ...
