Description

A pair of Old Gothic Weathered Stone Garden Benches. Delightfully decorated benches in the gothic style, each of the benches consists of a reconstituted stone plank top set on a pair of gothic 3 dimensional bases, these all have fierce Lions masks and claws on all 4 sides. These are old pieces which have a weathers patina, they are very heavy and very steady and sturdy once in place. The Benches each separate into 3 for transport but all the pieces are heavy, when assembled each bench is 16" high, 58" long and 14" deep CS170
