Description

Hi I have for sale an a1960s carriage clock in old shop stock condition never used we believe, the movement has been serviced and oiled so running great over eight days keeping good time, this clock is ideal for a special gift to mark an occasion, this clock is flawless and could be engraved with that special message. The Case The case is in solid heavy brass and stands 15cm high x 7cm wide with a depth of 6cm it is in perfect condition with mint bevelled glass sides/front/back door and top viewing glass. The Dial The dial is in mint original condition in white and signed St James London, the clock also retains its original black moon hands. The Movement The movement is an eight-day time only; the movement has been serviced and oiled so keeping good time over the eight days via the original jeweled escapement to the top. A key is included. Overall a very impressive quality carriage clock by a quality maker that looks beautiful on display and contains all of its original features this is quite a rare find these days. The photos do not do this stunning clock any justice the winning bidder will be delighted, please read my feedback from other buyers about their clock purc...
