Description

Hi I have for sale a 1880s French striking and repeating carriage clock made in France ,this is a very nice heavy case style and in good original condition with the original base plate find another like this. This is one quite heavy clock built to top spec and a must for the best of collections the case has been restored movement serviced so not often seen for sale in this condition. The movement was done around 5 years ago but just serviced so running spot on. The clock has Geneva stop work to stop over winding. The Case The case is in solid shiny brass and stands 19cm high x 10cm wide with a depth of 9cm it is in good original condition with mint thick 5mm bevelled sides/front/back door and top viewing glass. The case is very heavy and shiny and very hard to photograph they do not do the clock justice at all. The Dial The dial is in original condition white porcelain chapter ring with stunning bold Roman numerals ,the clock also retains its very fine original black ornate hands. The Movement The movement is an eight-day time and strike which strikes the hours via a small sweet gong to the rear also has the repeater button on top to repeat the last hour strike, the mov...
