Description

A lovely pair of antique burr walnut bedside cabinets. They were made in England, they date from around the 1920's. The quality is outstanding, they are beautifully made with stunning burr walnut grain patterns, even on the inside of the cabinets. They each have a two drawers and a single adjustable shelf. They have high quality brass handles on the drawer fronts and also on the outer sides. The tops are beautifully cross banded with inlaid borders, the front edges are canted, and the cabinets stand on bracket feet. We have had them recently re-polished, the condition is excellent for their age. Width – 18 inches , 46 cm Depth – 13 inches , 33 cm Height – 24 inches , 61 cm
