Description

Gents Tissot Seastar wrist watch, 1962. The watch has a 21-jewel automatic movement, calibre 783, which is working nicely. The movement is fully signed and it has the serial number 5,748,867 which dates it back to 1962. The watch measures 33mm diameter excluding the winding crown and the lugs. The case is gold plated and it is in lovely condition. The signed case back is stainless steel, and it has the Tissot logo inside. Plain winding crown. The lens is in lovely condition (some white reflection showing in the photos). The signed dial has its original hands, centre seconds hand and outer minute markers. There is light marking to the dial. A new leather strap has been fitted. The watch comes in a new presentation box.
