Description

Stylish & Practical Tambour Drawers - Oak - c1900 Excellent Oak roll-fronted set of nine drawers. This set of drawers are in great order. All the drawers function as they should and the important 'roll-front' action is smooth and free of damage. The locking mechanism is original and works perfectly; the key can simply be turned and the tambour element slides down and stops with a soft cushioned finish to the action. The use of Oak is fitting for the period and gives great durability. Please do not hesitate to contact us if you require further information or a special delivery requirement - we are here to help.
