Description

Presenting a charming ensemble of Edwardian Walnut Dining Chairs from the turn of the 20th century, this set of six exudes timeless elegance and superior craftsmanship. Each chair is a testament to the era's affinity for fine details, showcasing attractive carvings and a warm, inviting walnut hue that enriches any dining space. The seats, upholstered with discerning taste, promise comfort and style, harmoniously complementing the rich wood tones. The chairs stand on graceful ring-turned front legs, further accentuating their classic design and stability. Lovingly maintained, these chairs have traversed time without compromising their integrity. They remain in excellent showroom condition, free from any signs of wear such as loose joints, and their upholstery retains its pristine state, reflecting the care they have received over the years. This set is not merely a collection of seating but a piece of history, offering both functionality and a touch of antiquity to elevate the dining experience. Whether for daily use or special occasions, these chairs are poised to continue their legacy of elegance and durability. Height: 37 inches (94 cm) Width: 18 1/2 inches (47 ...
