Description

If you would like these chairs upholstered please click yes in the upholstery drop down menu. These would require 12 metres of material (6m per chair). You can supply your own or please get in touch and we will send you the list of fabric companies we work with. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. These are a very elegant pair of French Napoleon III armchairs. These have a bold buttoned shield back design that really stands out in an interior, but it is the thin ebonised beading around the base which really makes these chairs different from the rest.
