Description

What an amazing rug! Very finely knotted with a red ground containing the typical Perepidal stylised winged birds and dragons which, I suspect, represents the symbolic 'dragon & phoenix' - the fight between good and evil! Note also, the beautiful shade of green in the main border? Rugs like this are rare in today's world market-place and this rug, made circa 1870-1880 is in very good condition with just a minor shade of wear. Size: 1.70m x 1.30m (5' 7" x 4' 3").
