Description

Antique silver Omega pocket watch. The watch has a stem-winding movement, identified as by Omega, which is working nicely. The movement is protected by an inner hinged cover which is engraved with the name of the original retailer / jeweller Joh. Stöckl, Wein, III Reisnerstrasse 9 (which is in Vienna). The watch measures 48mm diameter excluding the winding stem and the loop. The case is silver, there are faint silver marks but they are illegible, so we have double checked by testing the metal and it has come back as being silver. The front of the watch is in good condition. The hinged case back has some unevenness. The inside of the case back has a German inscription which reads, 'Viele glückliche Stunden wünscht Dir Deine Tante Hanna', this translates as, 'Your aunt Hanna wishes you many happy hours' and then it has the date of 15 September 1909. The glass lens is in good condition. The signed dial is in lovely condition. The watch comes in a new presentation box.
