Description

Please Note. This price excludes the cost of carriage which will be an additional £28.00 within the UK. Worldwide shipping available. Late 19th early 20th Century 'The Upper Pool' A detailed and busy view of the Thames with numerous boats and Tower Bridge beyond. Titled lower right, signed lower left. Presented within a glazed non reflective frame. Size to include frame: H41cm L69.6cm Image only: H22.2cm L50cm Condition: (Minor spots of foxing as visible in the images) This painting is behind Perspex which in our opinion could do with replacing. The Perspex is textured therefore doesn't portray the detail of this study at its finest. There are one or two spots to the underside of the Perspex, not affecting the watercolour. Worldwide shipping available. If you have any questions, please do not hesitate to contact.
