Description

A pair of 1930s original Art Deco, opaque glass and chrome metal wall lights. They are Classic Art Deco Cinema type design, with a beautiful stepped shape in thick Opaque glass. They date to 1932 their original brown bakelite insulators/bayonet type bulb holders. They are easily wall-mounted, their odeon glass covers are held in place by simply removing a screw, allowing a small rectangular chrome panel to be removed. They are in good condition, with some mild pitting to the chrome. There is a stable hairline to side of one light, see pics. Free UK mainland Delivery
