BUCKLE c1905 ANTIQUE**

Price

Sold**Item Reference: SA1080947****Date of manufacture: 1900**

Description

A rare beautiful Russian antique solid silver belt buckle. It is hallmarked with the first Kokoshnik mark that was used between 1899-1908 with the assayer being Anton Vasiliyevitch Richter and the assay office of Astrakhan. It has been beautifully designed and is in super condition being free from dings splits and repairs. It measures approx. 3.25 inches (8.2cm) across by 2.25 inches (5.6cm) tall, the belt loops measure approx. 1.5 inches (3.6cm) wide and weighs 34 grams. A very well made piece.

Internal Ref: 31319
