Description

A fine and impressive 3.70 carat sapphire and 0.48 carat diamond, 9 carat yellow gold crescent brooch; part of our diverse collection of antique crescent brooches. This fine and impressive antique sapphire brooch has been crafted in 9ct yellow gold. The pierced decorated crescent shaped frame is embellished with nine pavé set graduated round faceted cut sapphires, totalling 3.70cts. The feature gemstones alternate with eighteen pavé set Old European cut diamonds totalling 0.48ct. The impressive antique sapphire crescent brooch secures to the reverse with a hinged copper pin, with the added security of a safety chain; the copper pin provides additional strength and security to the fastening. This crescent brooch has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 9 carat gold and copper. This impressive brooch is supplied with an IDGL diamond and gemstone grading report card. Images do not always reflect the true colour and brilliance of gemstones and diamonds. The video however provides a truer representation of the actual colour and showcases each stone. Condition This stunning antique 1920s brooch is excellent qua...
