Description

Clockwise is delighted to welcome into its collection this sweet 18 carat yellow gold and platinum head diamond and sapphire cluster ring. The central round sapphire is a lovely colour and 0.2 of a carat in size; the old cut diamonds total just under 0.25 carat. This classic 'daisy' style of ring is timeless and with the shoulders tapering into the platinum head the stones are shown off to their best. The shank is in fine condition and is stamped 18 carat to the inside. The size is O 1/2 (UK) or 7.25 (US) The weight is 2.58 grammes. Clockwise specialises in longcase and bracket clocks but is branching out into diamond jewellery, and with clients from the world of business, film, sport, royalty and aristocracy - yet more than happy with traditional clients - Clockwise has an unrivalled reputation for excellence and superb service. Insured and tracked global postage is readily available.
