## Description

A beautifully designed antique Edwardian inlaid mahogany side table. There is an oriental influence to the design, it was made in England and dates from around the 1900-1910 period. The quality is superb, the top has upturned ends and the lower staggered shelves also mirror this design. The legs are beautifully turned to look like bamboo. This has lovely satin wood inlays, it is finished identically front and back, so can be used as a free standing item. We have had this recently re-polished, the condition is excellent for its age. There is just some extremely minor wear and patina remaining here and there beneath the polish. Width – 27 inches , 68 cm Depth – 14 inches , 36 cm Height – 29 inches , 73 cm
